We are the Professionals!

Coastbusters™ Captains are Masters, licensed by the USCG/DHS (STCW95). Each possesses a valid TWIC card and are current members of the USCG Drug Testing Consortium. Our Qualified Crewmembers are trained and tested prior to assignment. We have over 25,000 nm on the Intracoastal Waterway (ICW) and over 10,000 nm on the Atlantic Coast from the Chesapeake Bay to Maine without a reportable incident. Our track record speaks for itself! Trust the best....not the rest.

Services

Captain's Service (Officer-In-Charge): *Includes pre-trip inspection, procurement of dockside equipment, safe operation and delivery to PLANNED destination, post-trip inspection, and placement of dockside equipment. The Captain will recommend the best route and ports-of-call with time and weather considered, and will always attempt to keep costs to the client at a minimum. Detailed documentation of daily events, engines/systems operation, and sea and weather conditions in the form of a daily log will be provided upon request for local deliveries, and are ALWAYS provided with long distance deliveries (greater than one (1) contract day).*

Additional Crew: *A QUALIFIED CREW MEMBER is required to assist the Captain when deemed necessary and on ALL long distance deliveries. Vessels over 65 ft. will require 2 additional crew members. A client, or his designee(s), MAY be considered to offset crew duties.*

Pilot's Service: *A fully qualified and Licensed Captain will accompany you and your crew, and direct ALL ASPECTS of navigation and all logistical support during the voyage.*

Sea Trial: *(2 hour minimum) — Includes assisting surveyor, buyer/seller/broker, and safe operation during the test.*

Basic Instruction: (2 hour minimum) — Detailed Analysis of all Systems, Pre-trip Inspection, Weather Recognition, Basic Navigation, Basic Rules of the Road, Safe Operation, Docking, Anchoring, Basic Electronic Navigation, Basic Chart Navigation, Basic Radar, Lines / Knots / Fender Placement, VHF Radio Operations....and more.

Coastbusters™ Yacht Delivery Services is owned and operated by Capt. Mark Praschak; USCG/DHS, Near Coastal Master-100T (STCW95); TWIC
